WEDDING RECEPTIONS AND CATERED EVENTS CAN NOW RESUME STATEWIDE

All Venues Hosting Events Subject to Strict Health and Safety Protocols

New York State has relaxed precautionary restrictions on large social gatherings. As of March 15, 2021, all venues hosting weddings and catered events must follow the State's strict health and safety protocols, including the following requirements:

- Indoor Events with 100 attendees or less and Outdoor Events with 200 or less attendees can continue as smaller events have in accordance with the phased reopening plan.
- Liability waivers: all guests must agree to and sign a liability waiver holding NSBPOA Clubhouse harmless if they contract COVID-19 or any variant as a result of attending any event at NSBPOA Clubhouse.
- Security, Testing, and Health Screening:
 - all attendees are required to present a valid photo ID and proof of one three following items:
 - Negative PCR test results no more than 72 hours old
 - Negative rapid/antigen test results no more than 6 hours old
 - Vaccination card showing the complete cycle has been administer at least 14 days prior to the event date.
 - Designated employees and security staff will be checking proof of ID and valid testing results and/or vaccination cards at the event entrance. Guests are encouraged to arrive 45 minutes to 1 hour prior to the scheduled event start time.
 - Designated employees and security staff will ask attendees a series of relevant questions regarding COVID-19 and may administer temperature checks.
 - Health screening shall consist of questions regarding current or recent COVID-19 symptoms (e.g., temperature in excess of 100.4 degrees Fahrenheit), close or proximate contact with confirmed or suspected COVID-19 case(s), recent positive COVID-19 test result(s), and compliance with State's travel advisory. All attendees will be required to sign a health screening attestation document.
 - Guests who fail to provide proof of ID and a negative test or vaccination within the appropriate will be denied entry to the facility.

- Liability waivers: all guests must agree to and sign a liability waiver holding NSBPOA Clubhouse harmless if they contract COVID-19 or any variant as a result of attending any event at NSBPOA Clubhouse .
- Contact tracing:
 - Clients must provide a full list of attendees and their contact information including: name, address & phone number; no later than 10 days prior to the scheduled event date. Failure to comply may result in fines imposed by the Suffolk County Department of Health Services.
 - All attendees will be required to sign in upon arrival, attendees not on the list provided will be denied entry into the facility.
- Dancing:
 - Attendees may dance with only members of their same immediate party/household/family who are seated at their table in designated and
 - clearly marked areas or zones that are assigned to them and spaced, at least, six feet apart from any other dancing areas or zones, and any tables. Ideally, each dancing areas or zones should not be less than 36 square feet. Attendees must wear face coverings while in their assigned dancing area or zone and cannot enter, use, or otherwise visit other dancing areas or zones.
 - Select attendees – who are designated to the Responsible Parties prior to the event – may participate in ceremonial dances with members of their immediate party/household/family (e.g., first dances at a wedding reception) so long as they maintain six feet of separation from other attendees throughout the dance.
- Face Coverings:
 - Attendees, employees, and event staff must wear face coverings at all times. Attendees may remove their face covering only when seated at their assigned table to eat or drink. The face covering requirement applies to any attendee over the age of two and able to medically tolerate such covering.
 - Certain designated attendees may remove face coverings while presenting/speaking at the event, provided that such attendee maintain 12 feet of social distance, or be separated by an appropriate physical barrier, from other attendees.
- Distancing and seating: All attendees must practice social distancing by maintaining a distance of, at least, six feet from other individuals, except for members of the same immediate party/household/family.
 - All attendees must be assigned to a table or area, where they must be seated while eating or drinking for the duration of the event. To the extent practicable, individuals should be seated at a table or area with members of their same immediate party/household/family.
 - Open seating floor plans are not permitted.

New York State and NSBPOA Clubhouse may change or withdraw these regulations and guidelines at any time without prior notice.
